Come out and support our Sloatsburg teens!

Sloatsburg and Suffern Teens have teamed up to participate in a competition against other RCLS Libraries to see who can answer the most questions about eight books that they have read over the summer. The goal of the program was to promote a love of reading in teens, to expose them to titles and authors that they might not encounter otherwise, to encourage them to think of their local public library as a resource for entertainment and to inspire teamwork and good sportsmanship in an atmosphere of friendly competition. The eight books to be battled over include:

To Kill A Mockingbird by Harper Lee
Counting By Sevens by Holly Goldberg Sloan
Maze Runner by James Dashner
Nothing Can Possibly Go Wrong by Prudence Shen
A Tree Grows In Brooklyn by Betty Smith
An Abundance of Katherines by John Green
Down The Rabbit Hole by Peter Abrahams
Temple Grandin by Sy Montgomery

FREE HOMEBOUND LIBRARY SERVICE

A home delivery service is available free of charge to Sloatsburg residents who are unable to travel to the library due to illness, disability or injury. If you, a family member or a friend might benefit from this service, please contact the library for additional information.
