THE BUDGET PASSED

Once again the Sloatsburg Community came out and approved the 2013-2014 Library budget vote on Wednesday, March 20, (325 yes 66 no). The show of support through these tough economic times is truly appreciated. We couldn't do it without you. Thank you for your continued support!

Coming this Summer!!

The Library Adopts-A-Platoon!

As part of our Summer Reading Program, we are encouraging the children of Sloatsburg to write cards and letters as well as contribute to care packages we will be sending our platoon. There are lots of rules and regulations we must adhere to, but there is a lot we can do to support our troops. Drop off contributions & correspondence at the library.

The library will have a list of items that are needed. We will take care of coordinating the shipments. **Please contact the Children's Librarian, Annmarie McAnany** for more details **753-2001** or stop by the library.
